

Press Release Ref.No. 2011-08.17-1

Announcement of New General Director

Wagner Equipment Company has appointed S.J. (Steve) Potter to the position of General Director, Wagner Asia Equipment LLC, with responsibility for their operations in Mongolia. Steve brings 40 years of Caterpillar and Caterpillar Dealer experience gained in 9 countries spanning the UK, Middle East and SE Asia. For the last 15 years Steve has been heavily involved in growing dealer business in the mining industry, mostly in Indonesia.

As Wagner Asia celebrates its 15th year in Mongolia, Steve's role will be to provide leadership to the already experienced Mongolian management team, to further grow the company, and take advantage of the ever increasing business opportunities that Mongolia offers.
